Employment Offers Extended: Accepted or Declined

Employment Offers

The list below includes data from the three graduating classes that fall within the CDC reporting year of June 1 through May 31 and is a compilation of results from:

- CDC's Survey of Graduates, administered three times each semester: Approximately one month prior to graduation, two weeks after graduation, and three months after graduation.
- Feedback from grad schools recruiting on campus.
- Faculty reports of graduate school acceptance.
- Survey of Graduates available online throughout the school year.

Employers with more than one occurrence have the number listed in parenthesis, and results include both offers accepted and declined.
