

GRADUATE COUNCIL MINUTES

January 23, 2015

The Graduate Council met at 2:00 p.m. in Ingram 101. Chair Nita Brooks presided.

I. Call to Order

Members present:

Vaughn Barry, Ginny Dansby, Bichaka Fayissa, Josh Howard, Robert Kalwinsky, Steve Livingston, Pamela Morris, Dwight Patterson, Lencie Plancher, Cliff Welborn, and Jeremy Winters

Ex-Officio/Guests present:

Jackie Eller, Interim Dean, College of Graduate Studies
Scott Handy, Interim Associate Dean, College of Graduate Studies

II. Announcements

A. **Dr. Nita Brooks, Chair**

Dr. Brooks opened the meeting at 2:04 pm.

B. **Dr. Jackie Eller, Interim Dean, College of Graduate Studies**

Dr. Eller announced that the College of Graduate Studies will be hosting Tuesdays @ Ingram for graduate students beginning February 3rd. Ingram 101 will be open on Tuesdays between 10:00 am – 11:00 am and 4:00 pm – 5:45 pm for graduate students to meet casually. This will be a great opportunity for graduate students to become more connected with the campus community.

C. **Dr. Scott Handy, Interim Associate Dean, College of Graduate Studies**

Dr. Handy asked Lisa Mitchell to give a quick overview of our new reporting tool, Argos. This will be a great tool to use for gathering report data for department use on such topics as the number of prospective graduates by program and term, admissions tracking, degrees awarded, etc. Argos has already been made available to department secretaries. By mid-February, we are hopeful that ITD will have it available to faculty members. To access the site, use the URL evmaps.fsa.mtsu.edu without the www. Your login username and password is the same as the one you use to log in to your desktop computer. Once logged in, click on Argos Web Viewer.

Dr. Handy wanted to bring further clarification to the 3 + 1 + 1 procedures. He distributed a handout (attached) outlining a clarification to the already existing procedures. This particular handout uses the College of Mass Communication as an example.

III. Approval of minutes from last meeting—December 12, 2014

A motion was made to accept the minutes of the December 12, 2014 meeting. The motion was seconded and passed.

IV. Sub-Committee Reports

C. Policies and Procedures Dr. Bichaka Fayissa, Chair

- No report at this time.

D. Graduate Program Review Dr. Ginny Dansby, Chair

- No report at this time.

V. Old Business

VI. New Business

- Graduate Student Association President, Josh Howard, noted that the printing allocations for students have changed effective January 20th. Printing is no longer free. Students are now limited to the number of copies they can print before they will need to add funds to their Blue ID card. Beginning January 20th, students can print approximately 320 black and white or 140 color prints each semester. These changes affect all campus

labs. Josh is concerned about there being no distinction in the number of copies allocated for undergraduate and graduate students.

- Dr. Handy distributed some handouts (attached) pertaining to English Language Proficiency Standards. Dr. Handy discussed the English language standards of our peer institutions in comparison to those of MTSU. Some of the points of discussion included:
 - Should individual programs set their own English Language Standards as opposed to using those already in place by the College of Graduate Studies?
 - Concern about programs being **perceived** as being unwelcoming to international students.
 - Should we raise our standards for the TOEFL PBT/TOEFL IBT/IELTS?
 - Is it time to consider having not just required competency in spoken English but in written English as well for GTAs?

Dr. Handy asked the council members to have discussions about the above-mentioned matters within their own departments.

There being no further business the meeting was adjourned at 3:28 pm. The next Graduate Council meeting is scheduled for February 27th.

TABLED ITEMS

Educational Leadership --- Changes in admission requirements for the MED Curriculum and Instruction – Concentration in English as Second Language

Clarification of 3+1+1 procedures between the College of Mass Communication at MTSU and the Communication University of China:

1. All students attending MTSU under this 3+1+1 program must contact the College of Graduate Studies (CGS) upon arrival so that they are clearly identified as participants and for necessary advising to occur. In conjunction with the graduate advisor, this advising will include creation of a plan of study and recommendations for language training as appropriate;
2. (Reference D.5.) Although admission is guaranteed as specified:
 - a. Students must make application for graduate study in the spring of their first year at MTSU. Transcripts showing the degree completion from CUC are to be received by the College of Graduate Studies prior to the students entering into their last year of study;
 - b. The College of Graduate Studies agrees to waive the English proficiency requirement IF the student completes his/her graduate courses (at least 9 hrs.) taken at MTSU with a B or better in all courses. If a B is not achieved in all classes, the student must meet current CGS English proficiency requirements;
 - c. If a student should be offered a GTA position while at MTSU, the student must meet the English proficiency requirements for GTAs as stated in the MTSU catalog.
3. (Reference C.) Note that a student may count up to, but not exceed, 12 hours of graduate credit prior to formal acceptance into a program of study. According to MTSU/CGS regulations, no more than 30% of a student's program of study may be accepted at the 5000 level.

Required Competency in English for Graduate Teaching Assistants

Pursuant to Senate Joint Resolution 211 adopted by the 1984 General Assembly, the accreditation standards of the Southern Association of Colleges and Schools (4.4.1), and the Tennessee Board of Regents (Policy No. 5:02:01:03) MTSU requires all graduate teaching assistants (GTA) to demonstrate competency in spoken English.

Specifically, Graduate Teaching Assistants whose first language is not English are required to demonstrate an appropriate level of fluency in one of the following manners.

- Submission of a minimum score of 21 on the Speaking subscale of the iBT TOEFL for appointment where the GTA has direct verbal interactions with students.
- Submission of a minimum score of 26 on the Speaking subscale of the iBT TOEFL for appointment where the GTA presents lectures in the class or laboratory (A GTA presenting a score of 25 may be assigned to instructional duties on a probationary status for one semester. ¹)
- Submission of a minimum score of 6.5 on the Speaking subscale of the academic version of the International English Language Testing System (IELTS) test
- Submission of a minimum score of 40 on the Test of Spoken English (TSE) or the Speaking Proficiency English Assessment Kit (SPEAK) for appointment where the GTA has direct verbal interactions with students.
- Submission of a minimum score of 50 on the Test of Spoken English (TSE) or the Speaking Proficiency English Assessment Kit (SPEAK) for appointment where the GTA presents lectures in the class or laboratory. (GTA presenting a score of 45 may be assigned to instructional duties on a probationary status for one semester. ¹)

¹ *GTAs assigned instructional duties on a probationary status must be observed by a member of their department and a faculty member from another department to establish that they are successful in the performance of their teaching duties. Written verification of agreement among the two observers that the GTA is sufficiently fluent in English must be submitted to the College of Graduate Studies before the GTA may be assigned teaching duties in a subsequent term.*

NOTE -Date of test score must be no more than two years prior to first semester at MTSU.
